Reminders:

When you visit the school please bring your driver's license daily to be scanned. Please be sure to send notes to school each day you need to make transportation changes. Transportation changes by phone are for emergencies only. Please remember that we cannot dismiss students from the kiosk at dismissal time. Please pick your child up prior to 1:45 pm.

Smoke Free Environment

Please remember that Pelion Elementary School has a smoke free environment. No smoking allowed on any area of school property.

Hat Day Every Friday

Pay \$1 and you can wear your hat all day on Friday. All proceeds go toward PBIS (Positive Behavior Intervention and Support). Bring your dollar and you will receive a Hat Day sticker for permission to wear your hat all day!

Dear Pelion Elementary School Families,

On behalf of the faculty and staff of Pelion Elementary School, I am happy to welcome you to the 2015-16 school year! We are looking forward to a productive partnership with you to ensure that your children achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for your children's success and want you to know that we will do our very best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that he/she:

- 1) Attends school daily and arrives on time, ready for the day's learning experience
- 2) Completes all homework assignments given by teachers
- 3) Reads daily to develop a love for reading and to improve literacy skills
- 4) Shares school experiences with you so that you are aware of his/her school life
- 5) Informs you if he/she needs additional support in any area or subject
- 6) Knows that you expect him/her to succeed in school and go on to college

Please consider joining our school PTO organization and volunteer program as our students can greatly benefit from your involvement and contributions to the school's program and its operations. We seek volunteers to help us with the following activities:

- 1) Teacher-led instructional support, usually in the classroom
- 2) Reading with children who need extra help
- 3) School-wide events
- 4) Student recognition events
- 5) Outreach and recruitment of parent and community volunteers

A copy of classroom rules can be obtained from your child's teacher. Please review those with your child. If you have any questions about the rules and expectations, please feel free to discuss them with your child's teacher. It is very important that you and your child are fully informed regarding standards related to appropriate behavior for a safe and productive school year.

The wonderful Pelion Elementary staff and I feel privileged to be a part of this school family. We thank you for your support and look forward to meeting you.

Sincerely,

Catherine Hodge

Principal

Reminders from the Nurse

If your child has a fever of more than 100, please keep him home. He may return to school when he has been fever free without medication for 24 hours. When they return to school they must have a parent note.

The health room needs donations of new underwear and socks and gently used clothes. They cannot give out used underwear. They need all sizes. Thank you!

Title 1 Compliancy

Pelion Elementary School is compliant with all Title One procedures. A copy of the resolution procedures is in the main office for your review.

Asbestos Management Plan Available

Lexington School District One completed a comprehensive inspection of all facilities for asbestos containing materials in 1988, in compliance with the Asbestos Hazard Emergency Response Act (AHERA) of 1986. Subsequent inspections were performed in 1991, 1994, 1997, 2000, 2003, 2006, 2009, 2012 as required by AHERA.

No material regarded as posing a hazard of health was found. While asbestos-containing building materials are still in several of the district's schools, the materials are not friable, thus, not expected to release fibers into the air. As outlined in the law, the district monitors all asbestos-containing material by conducting semi-annual inspections and provides needed information to appropriate employees of the district.

Copies of each school facility inspection and management plan are on file at the District Office and at each school. They are available at any time for public review.
